- Cold Crack: -10 degrees
- Weight: 25 oz. per linear yard
- Abrasion Resistance: protected with Blockade™ Topcoat

CLEANING

Most common everyday light soiling can be easily removed by using a solution of 10% liquid household dish soap and 90% warm water, applied with a clean dampened cloth. Rinse with a clean cloth dampened with water and allow to dry. Moderate scrubbing with a soft bristle brush will help loosen dirt and grime embedded in the grain of the vinyl.
